## REGION 8

Region Coordinator: Karen Cundasawmy  
Southern Met Zone Coordinator: Lynne Whatman

### Program:

The 2-day Region List of Events is available on the LANSW website. If an athlete does not turn up for their event at the Call Room, it runs without them and they miss out. The program contains event NOT BEFORE times which means that the event cannot start before the given time, this is a guide for athletes and parents.

**An event may be announced to go to call room up to 30 minutes BEFORE the NOT BEFORE time. Athletes should be at the track at least 30 minutes before the event time listed.**

All competitors (U9 and above) are advised to review the program for the State Championships via the LANSW website, to ensure availability in the event of qualification to progress.

### Athletes withdrawing from an event:

Any athlete who is withdrawing from any event over the course of the weekend needs to notify their team manager and Information as soon as they know they are unable to compete. This will assist in the smooth running of the program.

### Weather:

The Region Championships will go ahead under most weather conditions so athletes and parents should come prepared with hats and sunscreen as well as umbrellas and raincoats!

In the event of extreme conditions, such as excessive heat, storms or flooding, the Championships may be delayed or temporarily suspended in accordance with LANSW Hot Weather Policy and LANSW Lightning and Thunder Policy. Any decision to delay or postpone the Championships will be made by the Region Committee and the carnival Safety Officer and advised to Centre Team Managers as soon as possible.

### Call Room:

Athletes in the first listed field events of each day will go straight to their first event. All other athletes must attend Call Room when their event has been announced. The Call Room location is at the northern end of the main track. Only competing athletes are permitted in the Call Room. Only parents rostered to help are permitted in the Call Room. Parent should not hang around the Call Room once athletes are in the tent.

**Athletes are not allowed to wear their spikes in the call room**, they will be given time to put them on at the start line for their event.

### Centre Uniform:

Competitors must wear the correct, approved Centre uniform, which includes:

- The correct individual McDonald's registration number firmly attached to the front of their top with the red border fully visible for all age groups.
- Correct Age Patch firmly attached to the front left-hand side of the top or shorts.
- Coles patch firmly attached to the right hand shoulder.

Pins are acceptable, provided the patches are all secured well and do not 'flap' around loosely.

There will be **no leniency** shown at the Region Call Room – **any competitor not correctly attired will be sent to their Team Manager to correct their uniform, but the event will not be held waiting for them to return.**

Any athlete with the wrong number or no current season registration number must be issued with a new number by the centre Team Manager and the team manager must advise Carnival information of the old and new registration numbers and other athlete details. The athlete's original number will be cancelled, and the new number will become their number for the remainder of the 2023/24 season. Events will not be held pending the issue of new registration numbers.

It is advised that all Team Managers check each competitor uniform very carefully before athletes attend Call Room to avoid any disappointment on the day.

Athletes - Shoes are compulsory for all competitors in all events. Spikes may be worn as follows:

All competitors: Spike shoes with the spikes removed or blanks inserted may not be worn in any events. No athlete may compete bare foot in any event.

## **Parents/Guardians**

It is a requirement of Little Athletics that all children have an adult present at the carnival at all times.

## **Parent Assistance:**

All centres have been given a number of parent helper duties. It is the responsibility of each Centre Team Manager to MAKE SURE that every rostered duty is fulfilled by their centre. Please keep track of all duties and make sure you have parents in the correct place at the correct time otherwise the carnival will be delayed waiting for them.

**Parent helpers need to check in with their TEAM MANAGER (not information desk)**

**All parent helpers must be wearing closed in shoes – not thongs or sandals.**

**Parent helpers ARE NOT ALLOWED to provide any assistance, coaching or encouragement to ANY athlete whilst helping at an event.**

**Use of mobile phones is not permitted at any event by athletes or parent helpers.**

If parent helpers do not report in time to their assigned event, your Centre will be called over the p.a. to supply an alternate helper.

Only those parents rostered to help at an event or athletes competing at an event are permitted in the competition area. All spectators must remain outside the gates surrounding the competition area.

## **Warming Up:**

**No athletes are to use any part of the track or field areas for warming up.**

## **Clash of Events:**

Athletes should advise the Chief Judge of their event if they believe a clash may occur so that the chief can make arrangements for that athlete to attend call room and compete in their event. Track events take priority when a clash occurs. The athlete is responsible for returning immediately to their field event to complete any further attempts. Athletes should be aware of any potential clashes of events they are competing in.

## **Results:**

In addition to being posted on the notice board at the ground, all results will be available online as soon as possible after the event. You can access these results at

## **Awards:**

All competitors will receive a medal if they are placed 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> in a final.

Medals for competitors will be presented as soon as possible after the event at the medal presentation area, next to the information desk. Any uncollected medals will be given to the relevant centres at the conclusion of the championships. All competitors will also receive a certificate showing all their performances via their Centre.
